Subject: Columbia Falls - Phase I SAP Decision/Estimation Questions and Screening Values
Attachments: CFAC_Phase I SAP_Questions Screening Values Memo.pdf

Mike,

As requested, I have attached a memo summarizing the recommended decision and estimation questions for the DQOs in the Phase I SAP. Also, because the screening values provided in the initial draft of the Phase I SAP appeared incomplete, I have also included a comprehensive list of screening value sources that should be used. Please let me know if you have any questions.

Thank you,
Erin
